Model	Product	code
SUZUKI SV 650 2016+	LUGGAGE RACK	LRSV

CONTENTS

- 1 X aluminum rack base
- 1 X pair of brackets (L-SSVLR-1)
- 1 X pair of brackets (L-SSVLR-2)
- 4 X allen flat head socket cap screws M6X15
- 4 X allen round head screws M6X15
- 4 X safety nuts M6
- 4 X washers M6X18
- 4 X plastic washers M6X18

ATTENTION: this rack is designed only for the seat SCRSV-BBSW/BLSW.

Place the support brackets on the main body of the seat using the flat head socket cap screws and the nuts. Do not tighten before making sure you have adjusted them in the correct position – you will only have to do this adjustment once.

Tighten all screws and place it on the seat right on the seat's nut threads.

NOTE: maximum handling weight for the luggage rack is 5 kg, but it also depends on the way you load it.
