

Model	Product	code
SUZUKI SV 650 2016+	HEADLIGHT MASK	MCRSV

CONTENTS

- 2 X metallic parts (L-MCRSV)
- 2 X M6 clips
- 2 X washers (M5X15)
- 2 X screws (M6X15)
- 4 X screws (M5X15)

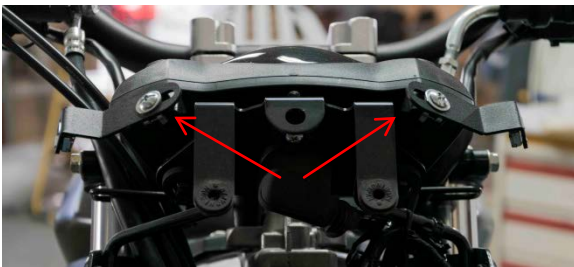

Remove the plastic cover located on top of the headlight.

Place the clips on the fitting brackets as shown in the photo.

Place the brackets on the top part of the mask as shown in the photo and screw them on – place the brackets in the correct position before tightening well.

Place the mask in position and screw it on the spots show in the photo.
Before tightening the screws, make sure the mask is parallel to the headlight.
